EDUCATION

Northeastern University <i>Bachelor of Science in Computer Science</i>	Boston, MA Aug. 2025 – May 2029
Zurich International School <i>High School Diploma</i>	Adliswil, Switzerland Aug. 2021 – June 2025

EXPERIENCE

Web Development Intern <i>Liip AG</i>	June 2024 – July 2024 Zurich, Switzerland
- Selected as the sole intern from a competitive applicant pool for a two-week intensive web development program - Designed and built yousefully.com from scratch using HTML, CSS, and JavaScript - Shadowed a full-stack developer and collaborated with the team to debug and deploy code, gaining hands-on exposure to industry version-control and software workflows	
Intern <i>Thomson Reuters</i>	June 2024 Zug, Switzerland
- Selected as 1 of 2 interns from a competitive pool for a week-long immersion across 7+ corporate functions (technology, product, finance, operations, legal, risk, HR) - Met with function leads to map how data systems and cross-department collaboration drive business efficiency - Co-created and delivered a summary presentation to senior management, recommending operational efficiency improvements across functions alongside enhancements to the internship program, which prompted active Q&A and discussion with senior staff	
Technology Intern & Project Lead <i>Hebbian GmbH</i>	Apr. 2023 – Aug. 2023 Zurich, Switzerland
- Conducted a feasibility analysis that informed the provider's decision to adopt and launch a new IB Computer Science course - Developed 2 sample lessons demonstrating the course concept while leading a team of up to 3 across project workstreams - Researched emerging AI tools and produced short-form video ads for YouTube and TikTok, guided by hands-on analysis of marketing data	

PROJECTS

AI Outfit Recommender <i>HTML, CSS, JavaScript, OpenAI (ChatGPT) API</i>	2024 – 2025
- Built a web app that recommends outfit combinations from a user's uploaded clothing images, integrating the ChatGPT API to categorize garments and generate context-based suggestions - Engineered it to handle a full wardrobe of items and demoed it to faculty testers (CS teacher and vice principal) for validation	

LEADERSHIP & ACTIVITIES

Northeastern NYC Finance Society <i>Secretary</i>	2025 – 2026
Executive board member; led meeting logistics, event coordination, and member-engagement systems
